1. All new potatoes produced in the area shall be marketed in new bags branded "Sunlake Brand" and bearing only the name of "The South-Western Ontario New-Potato-Growers' Marketing Board" and there shall be attached to each bag a tag on which the grower's number shall appear. Nothing herein will prevent the licensed dealer from using his present supply of bags branded otherwise.

2. A dealer's minimum mark-up on re-sale of new potatoes shall be .12c per 75 lb. bag on the cost price paid by the dealer to the local board.

3. The maximum brokerage payable by a dealer to a broker or distributor approved by the local board for handling and selling new potatoes produced in the area shall be .04c per 75 lb. bag except as otherwise agreed by the negotiating committee. Each dealer shall keep an accurate record of the brokerage paid by him and such record shall be available for inspection and certification by an auditor appointed by the local board.

4. A dealer who receives new potatoes from any other dealer in the area shall on a re-sale comply with paragraph 2 herein but shall allow and pay to the dealer from whom he receives the new potatoes the sum of .03c per 75 lb. bag.

5. A dealer shall submit to the local board a daily distribution report which shall clearly indicate and disclose the number of bags shipped to Toronto, Montreal, Province of Quebec, Province of Ontario,

Maritime Provinces, Newfoundland and Western Canada, for the purpose of assuring fair and proper distribution and the local board may inspect the books and premises of a dealer to verify such report.

6. A dealer shall furnish to the local board satisfactory proof of his ability to finance his new potato purchases in the area and shall furnish and file such security as may be required by the local board to assure payment in full of purchases from time to time made by a dealer. Until a dealer has satisfied the local board as to his ability to finance his potato purchases and shall have furnished and filed such security as may be required of him he shall not be entitled to take delivery of new potatoes in the area.

7. A dealer shall ship new potatoes on firm orders only and no dealer shall ship new potatoes on consignment.

8. Dealers shall pay for purchases of new potatoes as provided in Ontario Regulations 109 for 1950, Section 11 (3) thereof, or as may be directed by the local board from time to time.

9. Each dealer shall provide a satisfactory grading table for the proper inspection of new potatoes delivered by a grower.

10. An arbitration Board, consisting of three (3) members, one appointed by the local board, one by the licensed dealers and a third member appointed by the first two appointees, shall arbitrate and fix responsibility in the event of claim for condition of pack of new potatoes at destination and the local board shall enforce the findings of such board by such action as it considers necessary.

11. In the event of breach by a dealer of any of the provisions of this agreement or any order of the local board the local board may on twenty-four hours' notice or such other notice as the local board in its discretion decides, by wire to the head office of the dealer withhold delivery of new potatoes to such dealer for such time as it deems proper or necessary and the local board and/or grower or growers shall not be responsible in damages or otherwise for failure to deliver new potatoes to such dealer in the event delivery is so withheld by the local board whether or not there may have been an actual breach.

12. No dealer shall permit his buyer of new potatoes to take delivery of same at the grower's farm. For the purposes of this clause the local board may require a dealer to produce proof of ownership of any conveyance used to take delivery of new potatoes.

13. For the purposes of determining whether or not a breach has been committed of this agreement or of any order of the local board the local board may inspect the records and premises of a dealer and may require a dealer to furnish satisfactory proof that a breach has not been committed.

14. This agreement and everything herein contained is binding upon and shall enure to the benefit of the local board and each and every licensed dealer and shall have the same force and effect as though a separate agreement were entered into between the said local board and each and every dealer affected by the provisions of the within agreement.

(2) The several operations in an industry shall not be segregated and shall not be given a separate rate of assessment, except that
